_____ Cumulative GPA in Program of Study
(GPA must equal or exceed 3.0 GPA required for graduate program of study – to be verified by major advisor.)

_____ Total Expected Hours to be Scheduled
Full-time course load for fall and spring semesters is 9 through 13 credit hours. Graduate credit hours may not exceed 13 hours [per Graduate Council, 5/14/04]. A total of 6 hours is considered full-time summer enrollment. Students with a grade of “D” or “F” in the previous semester may not enroll in the next semester without permission. In this case, permission is required of dean and provost on a different form. Students with academic deficiencies may have their schedule blocked. Students must obtain permission from the major advisor to enroll in research or dissertation hours.
