Not more than six semester hours of graduate credit earned in Directed Individual Studies (7000) courses or six semester hours of Special Topics (6990, 8990) courses may be included on the student's approved degree program. Not more than nine semester hours of a combination of Directed Individual Studies and Special Topic courses may be included on the student's approved degree program.

Admission Requirements:

A student applying for admission into the Department of Instructional Systems and Workforce Development must submit the complete application packet to the Office of the Graduate School no later than May 1 for Summer, July 1 for Fall, and November 1 for Spring.

Disclaimer

Each student is responsible for knowing and completing all requirements established for his or her degree by the University, college, and department. A student's advisor does not assume that responsibility. Any substitution, waiver, or exemption from any established departmental or college requirement or academic standard is accomplished only with the approval of the student's academic college dean. Exceptions to University requirements, including the general education (core) requirements, are authorized only with the approval of the student's dean and the dean of the Graduate School.
