

Company Name	Job Title
ABB	Quality Engineer Senior Production Supervisor Buyer / Planner / Scheduler Quality Control Specialist Manufacturing Engineer Continuous Improvement Manager
AbilityWorks	Production Manager
AbitiBowater	Paper Maker
ADCO Companies LTD	Service Engineer
Adventist HealthCare Inc.	System Director, Operational Excellence and Quality Service Exec. Director or Operational Excellence & Quality
Aerojet Rocketdyne	Manufacturing Engineer
Agency Arms	Gunsmith / Machinist
Air Cruisers Corporation	Industrial Engineer
Air Force	C-17 Pilot T-6A Instructor Pilot
Ajinomoto Windsor	Facilities Maintenance / Refrigeration Maintenance
Alabama Plate Cutting Company	Quality Technician
Amazon	Master Training Specialist Reliability and Maintenance Engineering Technician RME Learning Ambassador Advanced Education User Experience
American Greeting	Print Operation Technician
America's Catch	Production Supervisor
Andritz Fabrics & Rolls	Process Engineer / Maintenance Planner
ANEL Corporation	Quality Technician HR Manager Manufacturing Engineer for Machining Operations/Production Manager Production Supervisor Quality Engineer Team Lead - Paint Line Maintenance Technician Team Lead
Aptiv	Process Engineer
Arkansas Steel Associates	Quality Engineer
Armstrong Flooring	Project Engineer
Armstrong World Industries	Value Stream Manager
Army Corps of Engineers R&D Center	Civil Engineering Technician
Atlas Roofing Corporation	Web Technologies Quality Control Manager
Atmos Energy	Technician Assistant Project Specialist Operations Supervisor
Aurora Flight Sciences	Electrical Assembler Lead Manufacturing Engineer 3-D Inspector Quality Program Manager Quality Manager Operations Manager
Austal USA	Electrical Engineer
Axiall	Reliability Engineer
Babcock & Wilcox	Service Engineer
Baker Hughes	Sales Specialist

Baldor Electric Motors	Senior Production Supervisor Manufacturing Engineer Continuous Improvement Manager Production Supervisor Electrical Tester
Baxter Healthcare	Supervisor II
Belcan Engineering	Engineer
BMET (Medical)	Technician
Cardinal Health	Operations Lead Team Leader
Cargill	Maintenance Technician
Caterpillar	LTDP Manufacturing Engineer Quality Supervisor CNC Machinist
Centerpoint Energy	Infrastructure Data Specialists
CF Industries	Instrumentation Technician Procurement Specialist Procurement Agent II
Chevron Corporation	Drill Site Manager Laboratory Technician Head Lab Tech
Circle S Machine	Owner
Coastal Metal Works	Project Manager / Estimator
Constellium (Muscle Shoals AL)	Electrical Engineer Electrical General Foreman Hot Line Maintenance Cold Rolling/ 5 Stand Engineering Manager
Cox MHP	Industrial Sales/Quality
Cut Form	Department Manager of Production
Danos Production Services	Electronics Technician
Denso	Senior Specialist - Packaging Engineer Senior Specialist - Electronic Products Division Industrial Engineer
Department of State	Foreign Service Officer
Diversified Conveyors	Design Engineer Junior Designer Field Engineer Quality Engineer
DSW Cutting Services	Inside Sales Engineer
Eaton	Quality Manager Manufacturing Engineer Senior Supplire Quality Engineer
Edmonds Engineering	Electrical Designer / Drafter
Elite Line Services	Maintenance Technician
Entergy	Engineering Associate Engineering Design Supervisor Senior Nuclear Fuels Engineer Production Technician Fossil Generation Safety Specialist
Environmental Solution's Group	Electrical Engineer of Research & Development
ESCO Corporation	Methods Engineer
Faurecia Automotive	Process Engineer Program Quality Lead Production Supervisor Quality Engineer Mechanical Engineer
Flex	Process Engineering Technician
Flexsteel Industries, Inc.	Industrial Engineer

Fountain Construction	Pipefitter / Welder
Franklin Corporation	Plant Engineering Supervisor
GE Aviation	Manufacturing Engineer Specialist
General Atomics Electromagnetics	Project Engineer IV
General Dynamics	Head Automation Integration
General Electric Appliances	Advance Quality Engineer Senior Advanced Quality Engineer
Georgia Pacific Chemical Division	Maintenance Planner / Supervisor
Georgia Pacific Containerboard Division	Maintenance Crew Leader Maintenance Planner
Georgia Power	Electrical Test Engineer
Grammer Inc.	Quality Engineer Production Supervisor Process/Quality Engineer
Grand Gulf Nuclear Power Station	Operator Systems and Components Engineer
Griffon Aerospace	Electrical Engineer
Haliburton	MWD Field Operating Supervisor Drilling Measurement Directional Drilling
Hargrove Controls and Automation	Controls and Automation Specialist
Helmerich & Payne Drilling	Offshore Floorhand
Hol-Mac	Maintenance Team Leader Production Manager - Proprietary Products Division Plant Manager Outside Sales - Donkey Forklift Welding Team Leader Production Team Leader VP of Manufacturing General Manager Production Manager Inventory Manager Group Leader Quality Control Manager Engineering Group Leader Team Leader Purchasing Manager Lead CNC Programmer Team Leader Quality Assurance Technician Assmebly Leader Machine Shop Team Leader Rod Line Team Leader Rod Line Group Leader Tube Line Group Leader Welding Team Leader Manufacturing Engineering Technician Maintenance Manager
Honda Manufacturing of Alabama	Associate Technical Specialists New Model Purchasing Engineer Supplier Quality Engineer
Hunter Engineering	Industrial Engineer Technologist Industrial Engineer
Huntington Ingalls	Engineering Design Industrial Engineer Production Planner / Scheduler
Hyster-Yale Group	Maintenance Supervisor

ICV (In-Car Video) for Memphis Police Dept.	Technician
II VI Incorporated	Production Supervisor Purchasing Inventory Specialist Senior Quality Engineer
Ingalls Shipbuilding	Industrial Engineer Industrial Engineer II
Institute for Clean Energy Technology (ICET) at MSU	Research Associate II
Instrument and Supply	Regional Sales Manager
International Paper	REACH Engineer
ITT Valves	Manufacturing Engineer III
Jabil Circuit	Chemical Maintenance Technician
James Skinner Baking Company	Production Supervisor
Jowin Express Inc.	Director of Safety
KBR, Inc.	Technical Professional - Field Construction
Keith Huber	Team Leader Production Team Lead
Kia Motors Manufacturing Georgia	Production Engineering Specialist Senior Production Engineering Specialist Senior Maintenance Engineering Specialist
KI Corporation	Manufacturing Engineer
Kimberly Clark	Operations Manager
Kohler Engine	Senior Project Engineer Manufacturing Process Engineering Process Project Engineer Staff Engineer
Krone NA	Business Manager Southern Region Parts Planning Manager Engineering Manager
LEC, Inc.	Automation Specialist Controls Engineer
Lynx Grills	Plant Manager
Marlin Connections	Operations Manager
Martinrea Industries	Process Engineer
Metals USA	CNC Machinist
Metl-Span Production	General Manager Facilities Manager Asst. General Manager
Metro Mechanical Inc.	Estimator/Project Manager
Metso Minerals	Manufacturing Engineer
Michelin	Process Quality Engineer
Midwest Industrial Rubber	Industrial Sales
Miller Transporters, Inc.	Quality Control Manager
Milwaukee Tool	Production Engineer Quality Engineering Senior Supplier Quality Lead Production Engineer Fabrication Manager Continuous Improvement Engineer
Mississippi Baptist Medical Center	Director, Operational Performance Improvement
Mississippi Silicon	Control and Instrumentation Engineer
Mitsubishi Electric Power Products	Production Planner
Modine Manufacturing Company	Quality Engineer
Monogram Refrigeration	Process Improvement Engineer
Morris South	Field Service Technician
MS Fish and Wildlife Service	Engineer Equipment Operator
MS Power Company	Combined Turbine and Boiler Operator Flue Gas Desulfurization Operator

MSC Industrial Supply	Account Executive
MTD	Electrical Engineer Mechanical Design Engineer Facilities Engineer
Mtek MS	Manufacturing Engineer
Nammo Defense Systems	Program Quality Engineer Mechanical Engineer/Production Supervisor
National Cement	Maintenance Planner
Navistar	Senior Process Engineer
NexAit	Lab Manager
NextEra Energy	Data Systems Engineer
Nissan North America, Inc.	Logistics Analyst Industrial Engineer New Model Stamping Process Engineer Maintenance Technician Quality Engineer Body Quality Engineer Industrial Engineer I Industrial Engineer III Body Maintenance Engineer Body Process Engineer Process Engineer Maintenance Supervisor Dynamic Testing Engineer
Norbord	Production Manager
North American Lighting	Manufacturing Engineer
Northbay Healthcare	Director of Performance Management and Quality Improvement
Northrop Grumman	Weight Analyst Quality Analyst Industrial Engineer Quality Engineer
OMB Valves, Inc.	Industrial Sales Project Manager
Orbital ATK	Quality Engineer
PACCAR Engine Company	Materials Coordinator Engine Demand Planner
Packaging Corporation of America (PCA)	Reliability Maintenance Supervisor Maintenance Engineer Project Engineer Maintenance Planner Reliability Engineer Vibration Supervisor Paper Machine Maintenance Planner
Philips Lighting	Design Engineer Manufacturing Engineer Engineering Technician
Pintail Duck Boats	Owner
Plymouth Tube	Process Engineer Lean Coordinator Manufacturing Engineer Quality Manager Operations Manager Maintenance Manager General Mgr of Mfg Quality Engineer Safety Director
Polo Custom	Plant Engineer

Raybestos	Quality Engineer
Raytheon	Low Power Test Technician
Redwood Electric Group	Project Engineer
Reflections in Metal	Welder/Fabricator/CNC Operator
Region One Health	Vice President and Chief Quality Officer, Division of Quality Services
Sara Lee	Maintenance Technician
Schneider Electric	Building Controls Specialist
Seemann Composites	Structural Welder Ultrasound Inspector QA Metrologist Composite Technician R&D Developer
Shell	Process Technician
Siemens Industry	Quality Engineer
Sims Industrial	Owner
Smith & Nephew	Manufacturing Engineer 2
SMP Automotive	Industrial Engineer
Southern General Contractors	VP of Building
Southwire	Process Engineer Industrial Engineer
State of Mississippi	State Game Warden
Steel Dynamics	Strand Tender
Syntron Material Handling, LLC.	Applications Engineer Service Manager
Taylor Machine Works	Manufacturing Engineer Group Leader Manufacturing Engineering Director of Industrial Engineering and Quality Manufacturing Engineer
Taylor Power Systems	Manufacturing Engineer
Tencarva	Sales Engineer
Tennessee Valley Authority	Combined Cycle Operator Techician
The Chemours Company	Project Engineer
The Pictsweet Company	Repack Operations Supervisor Red Zone Technician
The Power Source	Electrical Designer / Drafter
The Weir Group	Manufacturing Engineer
Tierra Management, LLC.	Mid-South Operations Manager
Tiffan Motorhomes	Quality Control Manager Process Engineer Industrial Engineering Manager
TLECC	SCADA Engineer
Toyota Motor Manufacturing Mississippi Toyota - Bodine Toyota - Boshoku	Maintenance Management Quality Engineer Engineer Engineering Manager Weld Engineer Manager Weld Maintenance Manager Internal Logistics Engineering, Senior Manager Production Engineering Specialist - Assembly Dept. Asst Manager of Production Engineering Electrical/Controls Engineer Production Engineer Production Engineering Specialist - Assembly Plant
TPI Composites	Process Engineer
TVA - Sequoyah Nuclear Plant	Modifications Field Engineer Project Manager
Tyson Foods	Breeder Technical Advisor

Unified Brands	Productions Engineer II
United Launch Alliance	Project Engineer
UPS	Plant Engineering Supervisor
US Army Redstone Test Center	Test Coordinator: Hellfire Missile Systems
US Steel	Caster Supervisor Operations Manager
USG (United States Gypsum)	Process Engineer
Viking Range	Senior Manufacturing Engineer Production Manager Plant Engineer
Voith Fabric	Plant Engineer
Walmart Optical Labs	Maintenance Manager
Walmart Optical Manufacturing	Assistant General Manager
Walmart Pharmacy Distribution	Maintenance Manager
Western Container	Injection Maintenance Technician
Westlake Chemical	Reliability Engineer Project Engineer
Weyehauser	Professional Development Candidate Technician Maintenance Planner Dry Kiln Manager Engineering Specialists Maintenance Supervisor
Wild Goose Canning	Senior Automation Engineer
XPO Logistics	Senior Maintenance Technician
Yokohama Tire Mfg MS, LLC	Controls Engineer Industrial Engineer Production Supervisor Shift Superintendent Extrusion Production Supervisor Technical Supervisor
